Modified- Maximum: Minimum: Maximum Hours counted toward degree:

- 11a. Second Instruction Type: **ns**

- 11b. Second Credit Hours:
Current - Maximum: Minimum: Maximum Hours counted toward degree:
Modified- Maximum: Minimum: Maximum Hours counted toward degree:

12. Maximum contact hours each week fall semester: **No Change**
Lecture: **2** Lab: Other:

13. May this course be taken more than one time each semester: **No**

14. Grade Type: **Regular: A-F No Change**

15. Describe the place of the modified course within your current curriculum. Will it be elective or required? Part of a major or a minor? (Enter NA if no change is being made.)
NUR 305 will move into the level one, first semester course load. It is currently, and it will continue to be, a required nursing course. Previously it was a required course for entry into the SON.

16. How does the modified course differ from similar courses being offered at Stephen F. Austin?
(Enter NA if no change is being made.)
NA

17. Syllabus: Course Learning Goals
List course objectives; describe what students who complete the course will know or be able to do.
(Enter NA if no change is being made.)
NA

18. Syllabus: Course Outline

Course Proposal Modify

List the topics that the modified course will cover and indicate the approximate proposed amount of time to be devoted to each, either by percent of course time or number of weeks. Please indicate which topics will be required in all sections of the course and which may vary.
(Enter NA if no change is being made.)
NA

19. Syllabus: Modified Textbook/Assigned Reading Materials for course.

NA
