

Course Proposal: Modify Course

This proposal will change the following elements of the course.

Prerequisites

1. Course prefix and number: **NUR 331**
2. Effective Term/Year: **FALL 2013**
3. CIP CODE/10 digit program code: **51.1606.00 No Change**
4. Short Course Title: **Nursing Care Women & Children I**

Modified Short Course Title:

5. What is the primary reason you are modifying this course?
Adding NUR305 as a prerequisite to level two courses in the SON.
6. Enter course description exactly as it now appears in the general/graduate bulletin.
Four semester hours, two hours didactic and six hours clinical practicum. Students apply critical thinking, nursing theory, research, and practice to issues of childbearing, childrearing, and women's health. Growth and development, health promotion, and communication will be discussed. The role of the nurse and teaching are highlighted.
