

Housing Scholarships Available for STEM Transfer Students

Housing in STEM Apartments for Eligible STEM Majors

SCHOLARSHIPS AWARDED THROUGH THE COLLEGE OF SCIENCES AND MATHEMATICS

STEM majors include:

- Biochemistry
- Biology
- Chemistry
- Computer Science
- Computer Information Systems
- Engineering Physics
- Geology
- Information Technology
- Mathematics
- Nursing
- Physics

To be considered, you must:

1. Enter SFA as a new transfer student beginning in fall 2015
2. Complete the scholarship application through the student's mySFA account by Sunday, Feb. 1, 2015
3. Declare a STEM major
4. Submit at least one letter of recommendation from a STEM faculty member
5. Enroll as a transfer student with at least a 3.0 GPA in the major and at least a 3.5 GPA cumulatively
6. Advance through the interview process with the STEM scholarship committee.

Each scholarship recipient receives housing in SFA's STEM Apartments, worth approximately \$9,400 to \$11,100 per year, provided the student maintains the scholarship requirements. The student must make appropriate progress each semester on the degree requirements for the major.

To receive an application form or to learn more about this scholarship opportunity, please contact Vicki Shimer by email at shimervm@sfasu.edu or by phone at (936) 468-5197.
